FCC Appeal Additional Documentation Proceeding #02-6

Decorah Community School District (DCSD) was originally seeking \$220,000.00 in funds. We realized we were only eligible for \$202,000.00 and believed the \$202,000.00 was in PIA review.

I realize I made a mistake on the FRN and I should have been allocating dollars by students and not by buildings.

I am requesting the remainder of the \$202,000.00 which is approximately \$100,000.00.

I had this discussion with PIA and some clerical error appear to have been made as I submitted an updated spreadsheet on February 27th.

I am submitting this supplemental information at the request of the FCC to help clarify our request for the additional dollars.

Thank you for your time and consideration with this request.

Respectfully submitted,

Kurt MJ DeVore
Director of Information, Systems, and Instructional Technology

The vision of the Decorah Community School District is to create a student-centered environment where...

Individual needs are addresses • Cooperation and teamwork are valued • Competent professionals lead
Community partnerships flourish • A commitment to excellence prevails • Life-long learning continues
